BATH SKATEPARK 4 OLD BRUNSWICK RD BATH

Come learn more about finishing your high school diploma, earning your HiSET, going to college or entering the workforce. This no pressure info night will be held at the Bath Skatepark and led by local skater and educator Bobby Gray, in partnership with Merrymeeting Adult Education and Midcoast Community Alliance.

Attendees are invited to stay after the info session for a night of free skating and will receive an additional Free Session Pass to be used at a later date. Not a skater? Don't worry, we'll have something for you, too.
