

May 26, 2021

Dear Community Supporter,

The pandemic has challenged us all and we saw firsthand the adverse impacts it had on our schools, teachers, students, and their families. As educators navigated incredible unknowns, increased restrictions, and the challenges of distance learning, their commitment to youth never stopped. As students and families juggled academic and home demands, quarantines, and a year of transitions, they demonstrated tremendous strength, flexibility, and resilience.

Every year, Set for Success is designed to ensure students are ready for a fruitful year of learning. This year, it is even more important as schools, students, and families move toward 100% in-person learning and begin to regain a sense of normalcy. As such, we are planning for a safe in-person reopening of our **4th Annual Set for Success on Saturday, August 28th from 10am to 2pm.**

This celebration of learning provides new backpacks and a variety of school supplies to over 600 RSU1 students, PreK through Grade 12. In addition, students will receive free haircuts donated by local hair stylists and families will benefit from meeting over 35 local community organizations along our "Information Highway."

We remain committed to ensuring every student is prepared and supported for the 2021-2022 school year and beyond. We believe passionately that every child in our community should know just how much they matter, and we know you do, too. We welcome your support at any level.

Sincerely,

A handwritten signature in blue ink that reads "Jamie Dorr". The signature is written in a cursive, flowing style.

Jamie Dorr
Executive Director

Set for Success
