

Dear Community Supporter,

Today, Jason's outlook is radically different than it was just a few years ago. When we first met him, he had left school and didn't think he could ever go back. Yet, with encouragement and support from MYC staff, he is back in school, thriving, while pursuing future interests through part-time employment and internships facilitated by MYC. He recently shared, "Before, I couldn't see my future. I can see a future now."

Imagine that you are Jason. Now, imagine what you can do to support his journey and the journey of others like him.

For nearly 6 years, organizations and businesses like yours have helped hundreds of youth in Sagadahoc County, Brunswick & Harpswell find support in education, workforce development, and physical & mental well-being. You've created a place where every child knows they belong, can find a warm, home-cooked meal, and a caring adult to lean on when life gets tough.

Our Merrymeeting Support Collaborative provides wraparound support to youth experiencing homelessness. We help kids find a safe space to land, get to school, and access whatever they need to thrive.

Each school year, we provide free backpacks and school supplies at "Set for Success", where connections are made, relationships are built, and our youth can *see* and *feel* that they matter. If families face hard times, they will know exactly who to call, because we have laid the foundation together.

In 2021, Midcoast Youth Center served 1,507 people and we're still counting. We have exciting plans to serve hundreds more, but we need your help. Please consider becoming an Annual Sponsor.

We envision a suicide-free Midcoast community where the physical and emotional needs of youth are met through comprehensive programming and social services; where youth are inspired and equipped to realize a promising future.

Your annual financial support will get us there!

Sincerely,

Jamie Dorr
Executive Director
