

2023 Compass Summer Program for Bath Middle School & Woolwich Central School middle schoolers

Are you a rising 6th, 7th, or 8th grader who attends RSU1? Join us for a summer of fun and exploration!

Each day includes a variety of activities including field games, woodworking, culinary arts, photography, biking, skateboarding, art, and so much more! While you're here, you'll participate in hands-on activities that strengthen math & reading concepts in a way that is meaningful and fun. Weekly field trips include Maine Maritime Museum, Boothbay Botanical Gardens, Reid State Park, Pineland Farms PLUS an exciting surprise destination! One thing we hear time and time again is how much FUN middle schoolers have while attending summer camp, how many new friends they make and how much it improves their overall physical & mental wellbeing. We hope you can join us!
