MEAL train

midcoastyouth.org/meals

Many of our young people are with us every day until closing. Local businesses, organizations, church groups, and community volunteers ensure students have access to nutritious meals throughout the week.

Our "Meal Train" program allows volunteers to sign up and donate a meal on a specific day.

Financial contributions or gift cards to local restaurants and grocery stores are also greatly appreciated! **To learn more, please contact Lisa St. Pierre or email lisa@midcoastyouth.org or call 207-443-8750**
